Dear Chairman,

Thank you for the grant money Teton Valley BCH was awarded in 2022 for the total amount of $520. The Money was used to purchase one silky katanaboy 650 folding saw for $319.00 and one replacement blade for $199.99.

This saw was very handy to our volunteers on our excursions into the wilderness to clear trails of fallen trees, and we were glad we had been awarded a replacement blade as we used the 650 folding saw so much the blade did indeed require a fresh, sharper blade for Fall cutting. TTBCH logged volunteer hours and covered cutting countless trees and the Silky Saw was instrumental in making these projects a success! Thank you! Included are pictures of the grant items including them in use. The receipt for purchase was sent on 4/11/22 to John Millington at treasurer@bchi.org.
